

Two-Person Shamble

1. Select partner prior to play and inform the Tournament Chairperson or his/her representative acting as the starter.
2. While on the course, during actual play, one player from each team shall maintain a separate score card and record the scores for both teams.
3. Entries on score cards shall comply as a minimum with the format on the sample scored card below.
4. The modified alternate shot format shall consist of each player on a team hitting a tee-shot at each hole; once a tee shot is selected by the team, the player whose tee shot is not selected, shall play the next shot from the location of the selected tee shot; player may mark and play the shot with his own ball; the process continues until the ball is holed.
5. On each hole, enter an "X" after the player's name whose tee shot is selected. Eight drives each are required. Balls may be played within a club length of the selected ball location, no closer to the hole, until on the green. Once on the green, ball shall be played within one scorecard's length of the selected ball.
6. The team score as noted on the score card shall be the accumulated total of strokes by both players.
7. Before submitting the two (2) score cards, each shall be signed by the players whose names appear thereon. A player's signature indicates agreement with all entries on the card applicable to him/her personally and with all entries relating to the team.
