

# Ocean Hills Golf Club (OHGC)

and

## Touring Amateurs

*Currently sponsored by Amada Senior Care and  
O'Connell Landscape Maintenance*

Since the earliest days of the Ocean Hills Country Club, its golfing residents have enjoyed the golfing facilities right here “at home”. But for many there was a desire to periodically play at other courses in the area. The Ocean Hills Touring Amateurs group was established for that purpose. Doris Reid ran the Touring Amateurs for twenty years. Barbara and David Demarest took over from Doris and ran the tournaments for thirteen years. Kathy Hunt then took over for five years. Mike and Annette Guillory have been running these tournaments since 2023.

We have several tournaments yearly at a variety of full length and executive courses. All tournaments are four person “scrambles” with flighted teams. We usually have more than 100 players per tournament.

The requirements for eligibility are that you must be a member of the Ocean Hills Golf Club, you must have an established OHGC handicap, and you must have pre-paid the entry fee published for the tournament you wish to play.

While the golf courses we play vary a little from year to year, over the years we have played at such venues as Arrowood, Boulder Creek, Camp Pendleton, El Camino CC, Encinitas Ranch, Lomas Santa Fe CC, Lomas Santa Fe Executive, Mt Woodson, Oaks North, Oceanside Municipal, Pala Mesa, Reidy Creek, Shadowridge CC, The Links, St. Mark's Executive, Twin Oaks, Vineyard, Vista Valley CC, Welk Resort, Woods Valley, Native Oaks, Emerald Isle. If you're new to Ocean Hills or just new to golf, we invite you to join our Ocean Hills Golf Club, get your OHGC handicap, and come join the fun of playing with Touring Amateurs.
